## Garrett Bugle Internet Edition

Volume 53

May 2006

No. 5

### Calendar

Sat., May 20	Plant Swap, Penn Place basketball courts, 10 am (see p 4)	Tues., June 6	Deadline for summer calendar*
Tues., May 23	GP Women's Club lecture, Town Hall, TBA	Mon., June 12	Town Council meeting, Town Hall, 8 pm
Sat., May 27	Swimming pool opens, 10 am; pool picnic, 5 pm	Tues., June 13	Lunch Bunch, Town Hall, 12:30 pm (last one until fall); <i>Bugle</i> deadline, 4 pm
Mon., May 29	Memorial Day; <i>no</i> trash pickup	Thurs., June 15	GP Casual Music Jam, Town Hall, 8 pm
Wed., May 31	Citizens Association Meeting, Town Hall, 8 pm	Sat., June 17	Coffeehouse, Town Hall, 7 pm
Thurs., June 1	GP Casual Music Jam, Town Hall, 8 pm	Sat., July 15	Large item pickup
Sat.\., June 3	GIVES collection, Penn Place, 9 am-1 pm; Farmer's Market, near Penn Place, 9 am-1 pm; 80 and beyond celebration, Town Hall, 4-6 pm (see p 4)	<b>*Note:</b> The <i>Bugle</i> is not printed in July and August. If you want to announce events taking place from July to September, please send them to Mary Moyer by the deadline. Thank you.	

### An Act of Generosity

It was an emotional Town Council meeting, as Laetitia Yeandle's future gift of her property to the town was gratefully and unanimously accepted by the Council, and then applauded by a number of citizens who came to the meeting to show their support for her gesture. Eventually the town will remove the house and maintain the land as a public park, probably with a playground, and as a wildlife preserve.

Before the Council voted on the property, a citizen in the audience asked how much this acquisition will cost the town. Ted Pratt replied

that given our strong tax base, taking this property off the rolls will have little to no impact.

In her report, the Mayor noted that she and others had recently planted 800 flowers around the post office and the pool. She also noted that while she's visiting Ireland later this month, Tony Altar will be acting mayor. The Mayor then tried to change the time at which the Council meets from 8:00 to 7:30. This went over like a lead balloon.

In Council Reports, Karol Soltan announced that the Right of Way Advisory Committee met

*(continued next page)*

(continued from previous page)

recently and will continue meeting on the issue. “We’re studying ordinances at the moment, and considering standards for driveways and parking pads.” Feel free to attend (see article, p 7). All meetings are at 11121 Rokeby—the place with the bulls in front of it.

Hans Wegner then reported that the Strathmore lights may be installed by May 30. (Don’t hold your breath.) He also said that the stonework on Strathmore is almost done, though plantings will probably be delayed until October. Peggy Pratt rose to praise Councilmember Wegner for his dedication to the project: “He has a personal relationship with each tree.”

At this point we all applauded by way of welcoming our newly elected Councilmember, Beth Irons, to the Council.

Because of Councilmember Irons’ recent accession, her place on the Historic Preservation Committee is now vacant. The Mayor encouraged any interested citizens to contact her.

The Council then passed Councilmember Soltan’s resolution that the Council urge Montgomery County to support efforts already underway in the District to get trains with hazardous material to avoid the Washington, D.C., metropolitan area.

This was a short, focused, congenial meeting, in which your reporter was reminded of the values that make Garrett Park so beloved.

Margaret Soltan

## Sculpture Dedication

On Sunday, April 23, a large crowd gathered at 3 pm on the grounds of Penn place for the dedication of the Seferlis sculpture. The Mayor welcomed the group, and Lizzie Glidden Boyle spoke of her friendship with Constantine Seferlis. We were honored to have both of Constantine’s sons present for the occasion.

Andrus told the history of the sculpture and of the search for the proper stone for its base. Leo then pulled the cord that lifted the cover to reveal the beautiful carving, amidst ohs, ahs, and applause from the audience. This work of art will be treasured by Garrett Parkers, as will our memory of Constantine, himself a Garrett Park treasure.

Refreshments were provided by the Black Market, along with champagne for toasting the Seferlis family.

Bonnie Tyler

## 4<sup>th</sup> of July: Toying Around

Our annual July 4<sup>th</sup> program, sponsored by the Garrett Park Citizens Association, begins again this year with the Fun Run/Walk, starting at 8 am at Penn Place. We follow a roughly two-mile course around town. Register at the event—all ages are welcome.

The theme for this year’s parade—our 47th Annual—will be “Great American Toys.” Registration is at 9:45 am at the Garrett Park Elementary School parking lot, with the parade beginning at 10:30. After the parade, we assemble at Penn Place for refreshments (hamburgers and hot dogs on sale), music, and the parade award ceremony.

Afternoon events include games at the pool (1–4 pm) and the annual softball game behind GPES at 3 pm. In the evening (6 pm), there will be a pig roast at Penn Place, with music by Border State. (Bring your own side dishes.)

Note: Events may be cancelled in case of inclement weather.

The Citizens Association depends on volunteers in the community to put on the festivities. Volunteers are needed to help with parade registration, judging, flag carrying, cooking, selling food, and many other tasks. To volunteer or get more information, please call Matt Stavish.

Come Out and Play!

### Summer Game Nights

Thursdays, 6 pm  
at Cambria Park

(Weather permitting)

Games for kids and adults. Bring a picnic or  
cookout.

*Sponsored by the Garrett Park Citizens Association*

The *Garrett Bugle* is a publication of the Citizens Association of Garrett Park, published 10 times a year. Publication of the *Bugle* is supported by member dues. All residents of Garrett Park are members of the Citizens Association. Yearly dues (\$20 per family or \$10 per individual per address) can be sent to Citizens Association, Box 456, Garrett Park, MD 20896.

**Citizens Association Officers:**

Co-presidents: Gene Brantly  
Matt Stavish  
Vice president: Jim Lockwood  
Treasurer: Jenny Krivanek  
Secretary: Melissa Bronez

**Bugle staff:**

**Editor:** Barbara Collier (Box 191)

# Town Administrator Notes

**A New Town Park:** At the regular May meeting, the Town Council voted to accept Laetitia Yeandle’s wonderful gift to the town of her property at 11321 Kenilworth Avenue. This almost half-acre parcel will be developed into both an active park, which could include a playground, and a passive park for protecting native plants and animals. The Council has worked closely with Ken and Glenda Ingham and the Garrett Park Conservation Trust to establish a Conservation Easement that ensures that the property will always be managed according to the donor’s wishes. For more information about this outstanding act of public-spirited generosity, or regarding the park itself, please call the Town Office.

**Town Elections:** Thanks go to Chief Election Judge Barbara Shidler and Judges Linda Knowles, Shirin Keyani, and Jim Agenbroad (Alternate) for their fine work on Election Day. Thanks also to Art and Judy Heyman, who assisted with the count. Congratulations to the winners, Beth Irons and Hans Wegner, and appreciation to Chuck Berry and Pam Morgan for making it a real contest. Best wishes to the new Council!

**Large Item Collection:** There will be a large item collection Saturday, July 15.

**Garrett Park Building Permits:** We are well into the building season, and I would like to remind everyone to please check with the Town Office to find out if your project needs a Garrett Park permit. A town permit is required to demolish any building larger than 400 square feet. Also, a Garrett Park building permit is required whenever a new structure is to be built, including a new house, shed, garage, or similar structure, or when the size of a house is proposed to be increased with an addition, a deck, a porch, or the like. The town is concerned only with the relationship of the proposed construction to the size of the lot and its setback from the lot’s boundary. The town also requires a permit for driveway or parking pad construction or repair. You should apply for a town building permit before applying for a Montgomery County building permit.

**Montgomery County Building Permits:** Montgomery County requires building permits for any structure above ground level (not patios or driveways), including sheds, garages, decks, fences, etc. A county permit is also required for any alteration to a structure (other than ordinary repair or maintenance) and for demolition. The county is concerned with zoning, health and safety, plumbing, structural and electrical issues, and so on. For more information, contact the county Dept. of Permitting Services, 240-777-6300.

As always, the Town Office will assist you in any way possible. I will be on my annual vacation in the Isle of Man from May 29 to June 15. Laura Krupp will hold the fort while I am away. I am sure things will carry on smoothly in my absence.

Ted Pratt, Town Administrator

# Citizens Association

The Citizens Association is collecting dues from members (all town resident are members). They’ve been raised (because of rising costs) to \$20 per household, or \$10 per person. If you have not done so, please send a check to Box 456. Besides paying for this newsletter, these dues help offset Association costs for events such as the July 4<sup>th</sup> parade, Progressive Dinner, Newcomer Welcome, Luminaria Walk, Halloween Spooky Woods, the Town Dinner, and the Ice Cream Social. Thank you!

## Green Banner Fund

The *Bugle* banner is still green, courtesy of Thomas and Elaine Kennedy. We thank them for their donation. They stepped up when we were in dire need, and through them and several others, we are funded until January 2007. If you want to help with next year’s green banner, send a check for \$37 to Mary Moyer, Box 98. If you would like to dedicate your donation to something or someone, let us know, and we will include the information in that issue of the *Bugle*. We thank you.

## Citizens Association Meeting, May 31

The Garrett Park Citizens Association will hold its monthly meeting on Wednesday, May 31, at 8 pm at Town Hall. Join us!

## Too Fast?

The Garrett Park Citizens Association is interested in assessing the community’s thoughts about speeding in Garrett Park. A survey will be sent to all citizens. Please take a few minutes to fill it out. Surveys can be dropped in the box at the Post Office, or an electronic version can be requested from Melissa Bronez. Also, Association volunteers will begin monitoring speed throughout town to begin to collect data on speeds in town. If you are interested in helping to monitor speed or serving on a group to address this issue, please contact Melissa.

For rent: Great 3 bedroom, 2 bath home with large sunroom and water view. Short drive to Bethany Beach, minutes to Holt’s Landing State Park.  
Call Sue (301-468-9035).

## Letter to the Editor

### Fiscal Restraint Advised

As reported elsewhere in this month's *Bugle*, the owner of the house and lot at 11321 Kenilworth Avenue, with exceptional generosity, wishes to donate this property to the town of Garrett Park. The Town Council has accepted this offer, even though the town will not be able to sell it and will be responsible for the upkeep of the property and house forever—that is, until the house is torn down, and the town will bear the expense to tear it down. The house is in poor condition. In other words, by acquiring the property, the town will lose the tax income it now generates and will acquire the expense of maintaining it.

How does the town gain in this transaction? I understand the area will be made into a park. But who will use the park? Maybe if playground equipment or a tennis or basketball court is installed it will be used. Maybe. We should consider forgoing this kind of self-indulgence and start practicing fiscal restraint, even while recognizing the generosity of the giver.

Philip Brunschwyler

### 80 and Beyond Birthday Bash

All persons 80 and over and their families and friends are invited to a birthday reception on June 3 from 4 to 6 pm at the Town Hall. Entertainment, cake, and punch will be provided. Please bring a plate of finger food to share.

## GIVES Cookbook

Over the summer, we are planning to begin putting together a simple GIVES Soup and Bread Cookbook, which would be made available to residents for a small cost. The proceeds would, of course, go to the Friends Service Committee and Zacchaeus Kitchen. What we need ... are your recipes! The soup recipes can be vegetarian or with meat. Also needed are bread recipes or recommendations of where to buy good fresh made bread and what kind.

Please send your recipes to Glenda Ingham, Box 258, or Karen Anderson, Box 129.

Els Benjamin has kindly offered to do the computer work for the cookbook (and she is a whiz, so we are lucky). A few others have mentioned an interest in helping, but we could use more volunteers. Mainly, we need some of your delicious recipes. Please let us hear from you so we can get this project off the ground.

## Plant Swap

If your eye should fall on this before 10 on Saturday, May 20, rush on over to the Penn Place basketball courts for the plant swap. Even if you did not manage to pot up any of your extra plants, you can still see about picking up your neighbors' excess. Both bringers and takers are needed at the swap.

## Bugle Notes . . . Sweet and Sour

- ♪ The Garrett Park Co-Op Nursery school is looking for a teacher for the 3-year-olds class. Candidate must have a BA degree and 2 years experience in ECE. Classes held 3 mornings a week. Call Brenda Artim if interested.
- ♪ Would you like to accompany on the piano a small singing group that practices once a month? They sing mostly classical music and need help. Call Marcia Tollefson if interested.
- ♪ Pink flying friends graced several yards on the north side of town recently. Did you see them? They were a flamingo flocking made possible by special friends, and as a fund-raiser by the youth of Bethesda United Methodist Church.
- ♪ Another new tree and a new lightpost bit the dust on Strathmore. In the wee hours of Sunday, May 7, a car plowed into them near the corner of Clermont. Several residents were awakened by the noise, got dressed, and proceeded to get the information about the driver and the occurrence. That information is now in the hands of the police.
- ♪ Garrett Parkers are invited to celebrate world harmony by Joanna and Ruthie Jackson of Clermont Place and their parents, Barry and Mary Clark of Peaceful Hollow alpaca farm ([www.peacefulhollowfarm.com](http://www.peacefulhollowfarm.com)). Sponsored by the farm and the Oneness Family School, the second annual Peaceful Hollow Music Festival is being held from 10 am to 10 pm, Saturday, June 3, at Carroll Community College in Westminster, Maryland. The college can accommodate a larger crowd than the farm could, with great parking and an amphitheater. Although there will be no live alpacas, there will be life-sized posters, natural fleeces fresh from spring shearing, alpaca yarn (buttery soft in many colors), fine felt for arts and crafts, and free alpaca fleece for the children. For directions and to see who will be singing, take a look at the Web site, [www.peacefulhollowmusic.com](http://www.peacefulhollowmusic.com).

## Tom Ruttkay's Work on View

The next exhibit in the Art in Penn Place series consists of eight works by Garrett Parker Tom Ruttkay. The exhibit can be seen in the upper lobby in Penn Place from April 23 to June 4.

Tom has a degree in fine arts from the University of Maryland and has worked as a graphic designer, a sign maker, and, especially, a muralist. It is rare for him to have an exhibit of his work, since most of his paintings are done on commission on the walls of businesses and private homes. For this exhibit, Tom has chosen to work in a medium that has been used commercially, but is quite new to the field of fine arts—large-scale digital printing. Tom has been a life-long collector of visually interesting ephemera—photographs, post cards, old signs, ads, and old magazine copy—and he uses his collection as the basis

for his art. He digitally scans items from his collection and arranges the individual elements into collages. The results are colorful and unusual juxtapositions that combine high-tech materials and techniques with a fine arts sensibility.

Perhaps because of his appreciation for old signs, Tom has always been fascinated by the idea of outdoor art. So he has chosen to print his collages on steel and aluminum, materials that can withstand the weather. These works can be enjoyed on the living room wall or outside on the patio fence. As the technology for digital printing continues to improve, Tom is excited about exploiting its potential as a new medium for fine art. It is the direction he would like to go when he gets too old to spend his days on a stepladder creating murals.

## Elizabeth Anne Webb Crichton

Lizanne, as she was known to her friends, died April 7. Born and raised in Jacksonville, Florida, she was awarded a full four-year scholarship to attend Florida State College for Women (now Florida State University) by the Woman's Club of Jacksonville. She majored in economics, earning a B.S. degree in 1940. After graduation she moved to Washington, D.C., planning to work in the federal government. During World War II she became a classification specialist for the War Department. Traveling for this job, she met a Navy yeoman, J.C. Crichton, in Kansas City in 1942. They were married in 1944 and settled in the Washington area after the war was over.

In 1953 the family, now grown by four, moved to Garrett Park, where they lived until 1999, when Lizanne moved to the Aspenwood Retirement Community in Silver Spring. She enjoyed sports, playing bridge, Shakespeare, classical music, mystery stories, and politics. She was active in the League of Women Voters, the Girl Scouts, and the GP Town Council.

Lizanne is survived by three children: David of Akron, Ohio; Anne Ptak of Buffalo, New York; and Mark of Olney; as well as six grandchildren. Notes of condolence may be sent to Anne Ptak, 8830 Stonebriar Dr., Clarence Center, NY 14032.

## Edward Friedman

On April 4, former Mayor Ed Friedman, 93, died of complications from a bone marrow disorder at his home in Truro, Massachusetts. He was a Town Councilmember in the 50's and 60's, as well as serving three terms as Mayor. He worked as a lawyer for the Securities and Exchange Commission, the Office of Price Administration, the Labor Department, and the National Labor Relations Board. During the Johnson Administration, he was a deputy solicitor at Labor.

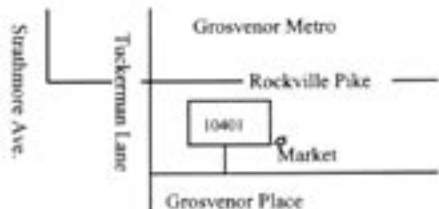

Retiring in 1989, he left Garrett Park to divide his time among Massachusetts, Arizona, and New York. His first wife, Mary Lou, died in 1997; they had been married 49 years. He is survived by his second wife, Carol Phillips Green of Truro, as well as four children from his first marriage: Michael of Oneonta, New York; Daniel of Oak Park, Illinois; Mary Eleanor Szabat of Potomac; and Elizabeth Mohr of Madison, Wisconsin; and five grandchildren.

A memorial celebration will be held at the Town Hall in the fall. Contact Carol Friedman, Box 654, Truro, MA 02666 for more information.

## Letter from the Mayor

Welcome to Beth Irons as she joins the Town Council, and welcome, Hans Wegner, to another term on the Council. And I very much appreciate everyone's support in electing me to another term as your mayor.

At the May meeting of the Council, a resolution was passed asking the County Council to look into the transportation of hazardous materials on the CSX rail line. This is an issue that has interested a considerable number of residents. The Town Council has also authorized me to sign the documents to accept the very generous gift of Laetitia Yeandle's property on Kenilworth Avenue.

Mrs. Yeandle and her husband moved to Garrett Park in 1971. It was their wish that their property be given to Garrett Park for a wildflower preserve and park. Another gift—a stone carving by the late Constantine Seferlis, given by his sons Leonides and Andy Seferlis—was unveiled April 23 and now graces the entrance of Penn Place. We

are the most fortunate of towns to have such generous residents.

We are also a town with a group of amazingly robust people. Please mark your calendars for the "80 and Beyond" party scheduled for June 3. I am getting the cake! Everybody is invited to join in the celebration.

Kay Hager arranged for the new owners of 10905 Clermont Avenue to give several very large azaleas to the town, which our town maintenance team moved to Cambria Park. Our town tractor made it possible along with the heroic efforts of Butch Frost, Frank Breazeale, and Peter Brock. It was Peter's first day of summer work. Unhappily, Frank slipped in the mud, fell, and broke his wrist. We are hoping that he will be able to return to light, one-handed work in a week or so.

We are having a lovely spring. Let's all hope for a pleasant summer as well.

Carolyn Shawaker

## Rights of Way Committee

The purpose of the Garrett Park Rights of Way Advisory Committee is to develop a set of recommendations for changing the way the town regulates its rights of way along the streets. Chuck Berry, Kay Hager, Barbara Jackson, Jennifer Sass, and Karol Soltan are members. The Committee has had two meetings already and has tentatively scheduled meetings for Tuesday, May 16, at 6:30 pm; Wednesday, May 24, at 8:30 pm; and Wednesday, June 7, at 8:15 pm. The meetings will take place in Ferdinand the Bull's House (temporarily occupied by the Soltans) at 11121 Rokeby Avenue. All interested residents are welcome.

The committee has started by establishing a rough agenda and has begun to work through the relevant sections of the town's code of ordinances. Among the most important items on the agenda is the development of design standards for driveways and parking pads. We plan also to discuss other issues, such as dumpsters, fences, and fines (currently set at \$100 per violation). The goal is to have a reasonable, consistent, and enforceable system that protects the safety and welfare of residents, protects trees and spots for future trees, preserves clear sight lines around corners for safety, maintains the flow of water along streets, and generally promotes the gardenlike appearance of the town.

The committee welcomes suggestions, comments, and help. Please contact Councilmember Karol Soltan at [ksoltan@gvpt.umd.edu](mailto:ksoltan@gvpt.umd.edu).

## GPES

Box Tops for Education has netted the school \$160 so far, and the box in the office is filled to overflowing again. Search the boxes of food items that you buy, cut out the logos, and send them to the school office. The same goes for toner cartridges; we get money for them too. Also, the "Pennies for Patients" campaign raised \$2,084.17 in three weeks. This cause helps students with cancers such as leukemia and lymphoma and is conducted in schools throughout the country.

Kindergarten Orientation has come and gone. Around 60 new kindergartners came and toured the school while their parents filled out the required paperwork. Only one prospective student was noticed heading for the door outside before he was captured and returned to the sign-in process.

The third annual ACES (All Children Exercise Simultaneously) event was held on May 3 on the back field. A guest exercise/dance leader from City Dance Center at Strathmore Hall led the children and staff in various moves, and a good time was had by all.

The Intercultural Friend Foundation (IFF) is looking for families to host foreign exchange students from Spain or France for this summer. Groups will be coming for three or four week stays in July and August. If you would like to host a student, call IFF, toll-free, at 1-877-647-9500. MCPS students can earn up to 26 community service hours for being active participants.

Mary Moyer

# Our GP Graduates

That annual rite of spring, graduation, is upon us again. This year, we applaud the following high school and college graduates. It seems that, from the job descriptions below, environmental issues are regaining momentum, which this reporter, for one, applauds.

Please let us know if we have missed anyone, and we will include them in next month's *Bugle*.

## High School

Daniel Abrams, WJ; will attend Muhlenberg College on a four-year President's merit scholarship, with plans to major in economics and religious studies. Will be a lifeguard this summer at Habonim Dror Moshava Camp.

Sophie Pousson, WJ; will attend the Maryland College of Art

John Rienstra, WJ; will attend Salisbury

Elias Schwartzman, WJ; will attend Oberlin

## College

Paul Andrews, BA, government, University of Maryland. Will attend Maryland School of Public Policy and play lacrosse (one more year of NCAA eligibility).

Alison Fischman, BA, environmental policy (minors in political science and geography), University of Colorado, Boulder. Beginning a 7-month internship in June sponsored by Unilever Corporation; will be assigned to a national park for 13 weeks and to a Congressional committee for 15 weeks working on environmental policy matters.

Thomas Lincoln, BA, computer science, College of Wooster

Chelsea Reinhardt, BA, Stanford University

Susanna Wegner BA, biology, Reed College, Oregon. Summer intern with environmental law firm in Portland; fall intern at Senator Ron Wyden's office (D-OR).

Carol Davies

# Summer Jobs List

Got those "weeds in the yard" blues? We have lots of willing workers to cut your grass, pull those weeds, and love your pet while you are hiking, beaching, traveling, or visiting relatives this summer. But we're pretty sure we're missing

some people, so if you send additions or corrections, we will republish the list in the next *Bugle*.

Note that one new name on the list this year is Peter Abass, a young man from Sudan living with the Wegners who will be attending Montgomery College in the fall.

Name (age)	Jobs	Phone number
Peter Abass (26)	Mow and garden	301-946-8755 or 301-908-7822
Sophie Pousson (19)	Pet sit and kid sit	301-946-1751

Please consult the printed *Bugle* for the complete list.
